

# **Bishop's Stortford Baptist Church (BSBC)**

## **Statement on Fundraising**

BSBC raises most of its finances through voluntary giving from members of the Church and congregation.

Occasionally events are held that will raise funds for a particular purpose – either related to a financial need of the Church or for an external charitable cause.

The Church may also apply for grants for a particular project.

The Church does not engage in any other fundraising activities to gain funds from the general public

**This policy was approved by the Trustees on 14<sup>th</sup> September 2020 and will be reviewed every three years.**
